ATTACK ON SUNDAY

Union, S. C., March 12.- Fourth dis-

Cyster Bar, N. T., March 12.—A letter Governor Wilson takes occas-sharp reply to Congressman Philip H. Ion to declare how lightly he regards Cambbell of Kansas was made to-night by Colonel Roosevelt, who took. "Misrepresentation," anys the govright by Colonel Roosevelt, who took exception in particular to one passage in the letter which the congressman yesterday addressed to him. Mr. Camboli was quoted as having pointed to the exertiming of the decision of Pontius Pitate by the people as an argument against the recall of judicial decisions. Colonel Roosevelt dictated this statement:

"Misrepresentation," says the governor. "at the penalty which men in public life must expect in the course of their effort to render service, the unfortunate fact is that there are probably hunfred of men in America of first rate intellectual force, of gending public spirit and broad patriotics which was quoted as having pointed and the course of their effort to render service, the unfounded criticism. "Misrepresentation," says the governor. "Is the penalty which men in public if must expect in the course of their effort to render service; the unfortunate fact is that there are probably hunfred of men in public life must expect in the course of their effort to render service; the unfortunate fact is that there are probably hunfred of men in public life must expect in the course of their effort to render service; the unfortunate fact is that there are probably hunfred of men in public life must expect in the course of their effort to render service; the unfortunate fact is that there are probably hunfred of men in public site must expect in the course of their effort to render service; the unfortunate fact is that there are probably hunfred of men in public site must expect in the course of their effort to render service; the unfortunate fact is that there are probably hunfred of men in public spirit and the course of their effort to render service.

Comparison Not in Good Taste. ersman Campbell's position of that the American people is as unfit for self-government and as prome to guilty excesses as the mob and attack, and the country is thereby impoverished. Such attacks, more saviour. I do not think Congressman over, create personal feeling and party over, create personal Campbell's comparison is in good teste and in any event it needs no discus-

Challenged Off a Jury. he statement was made on Colonel Roosevelt's teturn tonight to Oyster Ray, after he had splashed his way over seventy-five miles of muddy roads without regard to our personal feel-in his automobile, with the rain con-

stantly beating in on him. He made his sixth trip to the county courthouse today and at last got as far as the jury box, only to be challenged per-Then he motored on to New York and apent several hours in his editorial office before returning home.

Would Be Glad to Serve on Jury. Colonel Receivelt is to return to Minecia on Thursday morning, but it is combiful if he will see any actual service as a juror. On Friday he will have completed a period of two weeks and will be entitled to release from further zervice. The Colonel said that he would be glad to serve, but he did not see why he should be required to make so many trips to the courthouse, if no one wanted him to do so.

### WILSON TO GAYNOR. Says Misrepresentation Is the Penalty of Public Life.
